# About Supply Change

- **Supply Change is a social enterprise with a mission to increase the number of social enterprises in both public and private sector supply chains**
- **The Supply Change platform is a directory of pre-vetted social enterprise suppliers that buyers can access and search for suitable suppliers**

# Barriers to VCSE procurement

- **Complex procurement processes and portals**
- **Payment issues**
- **Lack of awareness of where to find opportunities**
- **Contract design not VCSE friendly**
- **Inconsistent approach across regions**

# What can the public and private sector do?

- **Early engagement**
- **Encouragement of consortia/collaboration**
- **Co-design and reserving contracts**
- **Greater flexibility in contract design**
- **Contract readiness support**
- **Long-term, strategic partnerships**
